## Your IWF Idaho News

*August 2021*

---

Greetings IWF of Idaho members!

I am ever so grateful to be associated with such a remarkable group of women leaders. Special thanks are in order for our fantastic annual meeting on August 7. The dynamic team of Peggy Goldwyn, Carol Nie, and Wendy Jaquet made our lunch meeting at the Ketchum Grill and local activities truly unforgettable. Over 30 members engaged actively with our agenda and clearly mentorship is resonating as a priority with our IWF Idaho team at this time in our history.

# Annual Meeting 2021

Congratulations go to Carolyn Lister, elected as Treasurer, and Carol Nie, Margery Friedlander, and LeeAnne Linderman, all elected as “At-Large” board members.

We said goodbye to two valuable members of our team - Karen Bilowith who is the new President of the Erie Community Foundation and Mackenzie Moss who will be focusing full-time on her transition to the Office of Performance Evaluations.

We shared an extraordinary and moving experience at the Sun Valley Music Festival with the world premiere of *Freedom Songs*, co-commissioned by the Festival, composed by Jessie Montgomery and performed by Soprano Julia Bullock. Spirited conversation highlighted the evening dinner at Wendy's.

The IWF of Idaho creates inspiring opportunities for women leaders to *Learn*, *Mentor*, *Support*, and *Connect*. Please engage with us! Present a program, enjoy a gathering, write a book review! There are many opportunities to take part in this amazing organization.

# IWF Idaho Book Club

This month the Diversity Book Club has shifted focus to the Latin community with "Of Women and Salt" by Gabriela Garcia. Via time travel we become familiar with many generations of a Cuban family, from modern-day Miami to pre-Revolutionary cigar factories. We chose his relatively brief novel, a quick read, to encourage you to join this discussion. Though it's new this year, the book has achieved recognition among reviewers. Please join us. [Here](#) is further information on the previous books the club has read. Please reach out to [Jennifer Wilson](#) with any questions, suggestions, or desires to join! Thanks Jennifer for administering!

## IWF Idaho Committees Need Your Help!

### Communications Committee

Our organization is in need of members for our Communications Committee. Are you good at writing and/or are you computer savvy? We promise that no large commitment is necessary, but we cannot continue to have a one-person committee. Involvement would include curating content for our monthly newsletters and helping to facilitate virtual programming. You might be asked to write a member profile, help with editing material if Committee Chair Kendall Nelson is not available, or to summarize an event you attended. We are in special need of members who know how, or would be willing, to occasionally manage some of our Zoom events if the person speaking is inexperienced. If you are available, please reach out to [Kendall](#).

Thanks in advance,

Kendall Nelson

Communications Committee Chair

### Governance Committee

You should have received an email regarding the 2021 ballot and bylaw revisions. Please reach out to [Jane Conard](#) with any questions.

Look out for an email after the Annual Meeting as well regarding our Conflict of Interest Policy! The Board of Directors of IWF Idaho approved a Conflict of Interest Policy at the

Board Meeting on May 20, 2021. This policy is in accordance with IWF Idaho's legal requirements as a non-profit corporation under Idaho law, and is in keeping with the governance practices of non-profit corporations. The email will ask you to review the policy, sign an attached form, and return it to Secretary of the Board, [Randi McDermott](#) by August 31, 2021. Thank you in advance!

## Program Committee

### Dine-A-Rounds

Who wants to host a Dine-A-Round event? Our dine-a-rounds are member hosted gatherings in homes or location of their choice, consisting of a small number of members (up to 10). The host selects the topic for discussion, or they can host a social event. If you would like to host an event, please complete the [events form](#) and submit to the program committee for review.

### Program Committee Member

We need Boise area members to join the program committee to help us plan and organize interesting programs and events. This includes soliciting new program ideas, collecting information to communicate to members, drafting invitations, summarizing programs for the newsletter, and helping with events planning as needed.

Technical skills: If you have technical skill with Zoom and meeting set up, we need help to deliver programs and expand our reach so that members can participate regardless of locale. We also need to record our programs when topics allow so that members can experience them when they have conflict and cannot join us live.

Thank you,  
Evelyn Self  
Program Committee Chair
